Published on 30 Nov 2016

Betty demonstrates how to make Chocolate Pretzel Fudge. This fudge uses broken pretzel pieces in the place of nuts.

## Chocolate Pretzel Fudge

11.5-ounce bag milk chocolate chips  
1 cup semisweet chocolate chips  
14-ounce can sweetened condensed milk  
2 tablespoons milk  
1 cup broken pretzel pieces  
whole pretzels for garnish

Mix together all ingredients, except pretzels, in a heavy saucepan. Cook over medium heat until ingredients melt, stirring often. When ingredients are melted, remove mixture from heat and stir in pretzel pieces. Pour into a foil-lined 8-inch square baking pan. Press whole pretzels into top of fudge. Refrigerate for 3 hours or longer. Remove from pan and cut into squares. YUM! --Betty :)
