Betty demonstrates how to make Christmas Cheer, a nonalcoholic holiday beverage. This is a great family-friendly drink for the holiday season (or for anytime!).

Christmas Cheer – a Nonalcoholic Holiday Beverage

- 1 quart grape juice
- 1 quart water
- 1 cup white sugar
- 1 whole nutmeg
- 1 stick cinnamon
- 1 teaspoon whole cloves
- 4 tablespoons lemon juice

Combine all ingredients in a large pot. Bring to a boil over medium heat. Reduce heat to low and simmer for 10 minutes. Remove nutmeg, cinnamon stick, and cloves, if desired. Cool and pour into glasses, adding an ice cube to each glass when serving. Delicious! --Betty :)
