Betty demonstrates how to make Grape-Nuts Chocolate Drops. This is an easy recipe for chocolate candy that contains Grape-Nuts cereal.

Grape-Nuts Chocolate Drops

12-ounce package semisweet chocolate chips

14-ounce can sweetened condensed milk

1 teaspoon vanilla extract

1 cup Grape-Nuts cereal

Place chocolate chips in large microwave-safe bowl. Cover with plastic wrap. Microwave on LOW power, stirring every 30 seconds, until chocolate is melted and smooth. Stir in sweetened condensed milk and vanilla. Add Grape-Nuts cereal and stir. Use a scoop or teaspoon to drop onto a shallow pan that is lined with waxed paper. Cool until firm. Enjoy! --Betty :)
