

Betty's Malted Milk Date Squares

Published on May 17, 2017

Betty demonstrates how to make Malted Milk Date Squares. These are chewy bar cookies that contain malted milk powder, pecans, and dates.

Malted Milk Date Squares

1/3 cup butter
2/3 cup all-purpose flour
1/2 teaspoon baking powder
3/4 cup firmly packed brown sugar
2 eggs, well beaten
1/2 teaspoon vanilla extract
1 cup chopped dates
3/4 cup malted milk powder
3/4 cup pecan pieces
cooking oil spray

Melt the butter in a large saucepan. Add remaining ingredients and blend well. Spread mixture into an 8-inch square pan that has been sprayed with cooking oil spray. Bake at 350 degrees (F) for 25 to 30 minutes, or until toothpick inserted in the center comes out clean. Cool. Cut into 16 squares and arrange on a nice serving plate. Enjoy! --Betty :)
