

Betty's Pineapple-Orange Springtime Punch

Published on Apr 19, 2017

Betty demonstrates how to make Pineapple-Orange Springtime Punch. This is a terrific blend of pineapple, orange, and lemonade flavors, with a touch of carbonation.

Pineapple-Orange Springtime Punch

3 cups Hawaiian punch, chilled (Any flavor. I used " Orange Ocean" for its springtime color and flavor.)

6-ounce can pineapple juice, chilled

6-ounce can frozen lemonade concentrate, thawed

1 ½ cups club soda, chilled (You may substitute 7-Up or gingerale.)

3 additional cups Hawaiian punch, poured into a mold or circular pan and frozen into a large ice cube

Mix 3 cups punch, pineapple juice, lemonade, and club soda in a punch bowl. Ladle punch into punch cups or dessert glasses. To keep punch cold without diluting it with regular ice cubes, place large ice cube made from the 3 additional cups of Hawaiian punch. Enjoy!
