

Betty's Basic Margarita

Published on 11 Jun 2012

In this video, Betty demonstrates how to make a Basic Margarita. This recipe is made in a shaker and is a refreshing mixture of limeade concentrate, tequila, and triple sec, cooled with ice.

Ingredients (This makes a very small drink; you may want to increase the amounts, if you have a large cocktail shaker.):

crushed ice

3 or 4 teaspoons frozen limeade concentrate

1 ½ ounces tequila

½ ounce triple sec

salt-rimmed serving glass (There is a Quick Tip 107 in bettyskitchen on How to Put Salt on the Rim of a Glass.)

In a cocktail shaker, place 3 or 4 teaspoons frozen limeade concentrate, 1 ½ ounces tequila, and ½ ounce triple sec. Fill shaker with crushed ice. Replace the lid on the shaker and shaker vigorously for a few seconds, just to combine flavors and keep the drink cool. Pour your Basic Margarita into a salt-rimmed glass. Garnish with a slice of lime and place a small straw for drinking. Enjoy! --Betty :)
