Published on 29 Dec 2012

In this video, Betty demonstrates how to make New Year's Eve Rum Punch. This is an alcoholic beverage that would be delightful to serve during the holiday season.

Ingredients:

1 cup chilled orange juice  
1/4 cup triple sec or other orange liqueur  
1/4 cup golden rum (You may use dark or light rum instead.)  
750 ml bottle chilled sparkling wine  
thin orange slices  
sprigs of rosemary

In a large pitcher, stir together chilled orange juice, triple sec, and rum. Slowly pour in chilled sparkling wine. Stir gently until mixed. In a champagne flute place one orange slice, curling it to fit glass. Pour punch from pitcher into glass, garnish with rosemary. Serve immediately. Enjoy! Happy New Year! Love, Betty and Rick :)
