In this video, Betty demonstrates how to make Peanut Butter Log Candy. This is a great finger food, if you are looking for something sweet to serve at a Super Bowl or other party.

## Ingredients:

- 1 pound confectioner's sugar
- 4 ounces cream cheese, at room temperature
- ¼ cup butter, at room temperature
- 1 cup creamy peanut butter
- 1 cup chopped pecans, optional

In a large bowl, mix 4 ounces cream cheese and ¼ cup butter. Use an electric mixer to beat in 1 pound of confectioner's sugar, adding a little at a time. Roll out on waxed paper and form into a rectangle about ¼-inch to 3/8-inch thick. Spread evenly with 1 cup peanut butter. Roll into a log and trim ends. Roll in chopped pecans, if desired. Chill thoroughly before slicing into 3/8-inch slices. Place on a nice serving plate. Keep chilled until ready to serve, and put any remaining pieces of candy in the refrigerator to store. This is a delicious treat that is pretty, and almost everyone likes it! Enjoy! --Betty
