

# Betty's Fettucini Pizza Casserole Recipe

Uploaded on May 9, 2009

In this video, Betty demonstrates her friend Lena's very special Fettucini Pizza Casserole. With a fettucini base, and lots of mozzarella and Parmesan cheese, plus pizza sauce and pepperoni, we have a casserole that tastes like that "all-American" favorite: PIZZA!

## Ingredients:

6 oz. uncooked fettucini noodles, broken in half  
medium pot half-full of boiling water  
4 oz. pack-aged sliced pepperoni  
14 oz. jar pizza sauce  
1 1/2 cups shredded mozzarella cheese  
1/4 cup grated Parmesan cheese

Fill a medium-sized pot halfway full of water, and bring it to a boil. Add 6 oz. fettucini noodles. Cook over low heat about 8 minutes, or until al dente (chewy, not mushy). Drain the noodles through a colander, and return them to their original pot. Stir in 14 oz. pizza sauce, 3/4 cup shredded mozzarella cheese (reserving the other 3/4 cup for topping), 1/4 cup grated Parmesan cheese, and 4 oz. pepperoni (which has been cut into halves with kitchen shears). Transfer to a 9-inch by 13-inch by 2-inch baking dish. Top with remaining 3/4 cup of mozzarella cheese. Bake in a 400 degree oven about 15 minutes, or until hot and bubbly. Serve with Italian bread and a green leafy salad. A filling and tasty (plus quick and easy) meal!!!
