Uploaded on 8 Aug 2009

In this video, Betty demonstrates how to make her Sister's Party Cheese Ball. This is a delicious cheese ball from my sister, and we have it at special family get-togethers, especially at Christmas-time. It's wonderful!

Ingredients: (Note: I only made 1/2 of the recipe in the video.)

- 2 cups shredded sharp Cheddar cheese
- (2) 8 oz. packages cream cheese
- 1 tablespoon minced green pepper
- 1 tablespoon minced onion
- 1 tablespoon chopped pimiento
- 1 tablespoon Worcestershire sauce
- 1 teaspoon lemon juice
- 1/4 teaspoon garlic powder
- dash of cayenne pepper
- dash of salt
- chopped pecans

Have all ingredients at room temperature. With an electric mixer, blend all ingredients, except pecans, until smooth and creamy. Shape into a ball. Refrigerate until beginning to set, and then roll in pecans. Serve with butter-style crackers or fresh vegetables. Yum!
