In this video, Betty demonstrates how to make a Spicy Ham and Cheese Ball. It is very easy to make, and it is great as an appetizer or for taking to a party.

Ingredients:

(2) 8-oz. packages cream cheese, softened (I used the fat free variety.)

about 3 oz. thinly sliced cooked ham, chopped in small squares

$\frac{1}{4}$ cup Italian salad dressing

$\frac{3}{4}$ cup chopped pecans, spread in a single layer in a plate

Crackers of various types, for serving

In a large bowl, combine (2) 8-oz. packages softened cream cheese, 3 ounces sliced ham (chopped), and $\frac{1}{4}$ cup Italian salad dressing. Stir until all ingredients are well-mixed. Cover with plastic wrap and chill at least 30 minutes—longer is better. Shape mixture into ball, using a large spoon and plastic wrap to cover your hands. Roll ball in $\frac{3}{4}$ cup chopped pecans. Serve with a variety of crackers. Enjoy! --Betty ☐
