Uploaded on 14 Nov 2011

In this video, Betty demonstrates how to make Stained Glass Cookies for your Holiday table. These will add some interest and will be enjoyed by children, as well as adults.

Ingredients:

1/2 cup butter
2 cups semi-sweet chocolate chips
1 cup chopped English walnuts
10-ounce package colored mini-marshmallows
flaked or shredded coconut, as needed
cooking oil spray

Melt 1/2 cup butter and 2 cups semisweet chocolate in the top of a double boiler. Cool until workable with hands. Stir in 1 cup English walnuts and a 10-ounce package of colored mini-marshmallows. Spray your hands with cooking oil spray and divide mixture into two equal parts on waxed paper. Form each part into a log (about 1 1/2-inches in diameter) and roll it in flaked or shredded coconut (on waxed paper), until well-covered. Chill 24 hours, then slice. When sliced, the colored marshmallows resemble stained glass windows. I hope you enjoy this holiday treat! --Betty
