In this video, Betty demonstrates how to make Super Bowl Beer Cheese Dip. This is great as an appetizer or party food, but it is delicious anytime.

Ingredients:

10 $\frac{3}{4}$ -oz. can Cheddar cheese soup

$\frac{3}{4}$ cup beer

2 cups shredded Cheddar cheese

$\frac{1}{4}$ teaspoon garlic powder

$\frac{1}{4}$ teaspoon ground red pepper

$\frac{1}{4}$ teaspoon hot pepper sauce

Combine a can of Cheddar cheese soup with $\frac{3}{4}$ cup beer in a medium saucepan. Bring to a boil over medium heat, stirring constantly. Gradually add 2 cups shredded sharp Cheddar cheese, stirring constantly until cheese melts. Stir in $\frac{1}{4}$ teaspoon garlic powder, $\frac{1}{4}$ teaspoon ground red pepper, and $\frac{1}{4}$ teaspoon hot pepper sauce. Pour immediately into a serving bowl and serve with crackers. This is also great accompanied with celery and blue cheese dip. (You can find a recipe for my Best Blue Cheese Dip in [bettyskitchen](#).) I hope you can use this recipe, if you are looking for party food. It is great for Super Bowl entertaining! Enjoy!!! --Betty ☐
