Uploaded on 27 Mar 2009

In this video, Betty demonstrates her quick-as-a-flash Mexican-Style Flavorful Bean Dip. You can mix it in less than 5 minutes!

Ingredients:

- 16 oz. can refried beans
- 1/2 of a 14.5 oz. can of diced tomatoes, drained (I said diced onions in the video, but it is actually diced tomatoes.)
- 1/2 cup Italian dressing
- 1 tablespoon balsamic vinegar
- 1/2 cup chopped cilantro
- restaurant style tortilla chips for dipping

In a medium mixing bowl, combine a 16 oz. can of refried beans, 1/2 of a 14.5 oz can of diced tomatoes (drained), 1/2 cup Italian dressing, 1 tablespoon balsamic vinegar, and 1/2 cup chopped cilantro. Mix thoroughly. You may serve this immediately with tortilla chips, or chill it about 4 hours to let the flavors mingle. It's great for when you get together with friends for your favorite ballgames!
