Published on 30 Dec 2012

In this video, Betty demonstrates how to make Country Ham Salad Spread. This is a terrific appetizer to serve on New year's Eve or New Year's Day. It is festive and \*so\* easy!

## Ingredients:

2 cups cubed cooked country ham (You may use any type of cooked ham, but country ham will be the tastiest.)  
1 tablespoon sweet pickle relish  
1 tablespoon sour cream  
¼ cup finely chopped onion (optional)  
¾ cup mayonnaise  
assorted crackers

Mix together 2 cups cubed country ham, 1 tablespoon sweet pickle relish, 1 tablespoon sour cream, ¼ cup finely chopped onion (optional), and ¾ cup mayonnaise. Place on a nice serving plate and surround by a variety of crackers. Spread Country Ham Salad Spread on crackers to serve. Cover with plastic wrap and refrigerate to store. This is a great appetizer or party dish. I hope you enjoy it! Love, Betty ♥
