

Betty's Super Shrimp Salad

Uploaded on 6 Jun 2011

In this video, Betty makes Super Shrimp Salad. This salad is very simple, since it is made with cooked, ready-to-eat salad shrimp. It also contains boiled eggs, celery, mayonnaise, and seasonings, and it is served surrounded by red and green cabbage wedges and tomato slices.

Ingredients:

- 14 oz. bag cooked salad shrimp, peeled and deveined (I rinsed and drained the shrimp.)
- 3 hard-boiled eggs, finely chopped
- 3 stalks of celery, finely chopped
- ½ cup mayonnaise
- onion powder, to taste
- freshly ground black peppercorns, to taste
- ¼ teaspoon seasoned salt
- ¼ teaspoon celery salt
- red cabbage, green cabbage, and tomato slices for garnish

In a large mixing bowl, place a 14-oz. bag of cooked salad shrimp (rinsed and drained). Add 3 finely-chopped hard-boiled eggs, 3 finely chopped stalks of celery, ½ cup mayonnaise, onion powder to taste, freshly ground black pepper to taste, ¼ teaspoon seasoned salt, and ¼ teaspoon celery salt. Mix well. Serve with crackers on a plate that has wedges of red and green cabbage and slices of tomato. This is a great summertime lunch. Enjoy!!! --Betty ☐
