

Betty's Pimiento Cream Cheese Finger Sandwich Recipe

Uploaded on 20 Feb 2009

In this video, Betty makes a terrific pimiento cheese finger sandwich on wheat bread, using cream cheese. It's great for parties and receptions, or just a casual lunch. It's pretty, and it tastes great!

Ingredients:

4 oz. cream cheese (1/2 of an 8 oz. block), at room temperature
1/3 cup mayonnaise
1 oz. (1/2 of 2 oz. jar) chopped pimientos
6 slices whole wheat bread

Place the 4 oz. softened cream cheese, the 1/3 cup mayonnaise, and the 1 oz. pimientos (or to taste) in a small mixing bowl. Use a fork to mash the mixture until it is of spreading consistency. Spread 1/3 of the mixture on one slice of bread and top it with another slice of bread. Continue with the rest of the cream cheese mixture until 3 sandwiches are made. Now, use a knife to trim the four crusty edges from each sandwich. For nice serving sandwiches, use a knife to cut the sandwich into two halves diagonally, and then into fourths, using the other diagonal. You will get two small triangles and two larger triangles. Arrange all 12 triangles on a serving dish in an appealing manner. I think your guests will find the taste, shape, and texture interesting!
