

Betty's Valentine's Day Red Applesauce Mold Recipe

Uploaded on 11 Feb 2010

In this video, Betty demonstrates how to make a hot and sweet Red Applesauce Mold for Valentine's Day. This molded salad consists of cherry Jello, red hot cinnamon candies, water, and applesauce. It's sweet and spicy!

Ingredients:

- 1 large package cherry Jello (This may be any red Jello, and you may use sugar-free or regular.)
- 2 cups boiling water
- 3/4 cup red hot cinnamon candy
- 2 cups unsweetened applesauce

Dissolve 1 large package of cherry Jello in 2 cups of boiling water, along with 3/4 cup red hot cinnamon candy. Cool some. Add 2 cups applesauce, and stir to combine completely. Pour gelatin mixture into a clear bowl, or a Valentine heart mold. (You may unmold the Jello on a flat plate, or just serve it from the mold or serving bowl.) This is a romantic additon to a special dinner! Happy Valentine's Day! --Betty :)
