In this video, Betty demonstrates a super quick and easy salad-type side dish-sliced tomatoes, sprinkled with dressing mix, then chilled--Easy!!!

Ingredients:

2 to 4 medium-sized vine-ripened tomatoes

1 packet of Good Seasons Italian salad dressing mix

Wash and dry the tomatoes. On a tray or cutting board, remove the green ends of the tomatoes and slice them into approx. 3/8 to 1/2-inch slices. Arrange the tomato slices attractively on a serving dish. Sprinkle evenly with the dry salad dressing mix. Cover the dish with plastic wrap and refrigerate at least four hours for the salad dressing mix to create a marinade for the tomatoes. Remove from the refrigerator, take off the plastic wrap, and serve. This couldn't be easier--and it tastes great!!!
